23rd Sept. 2014

To whom it may concern,

The BOM of Kilruane National School undertook a Summer Works Scheme project at the school in August 2014. Mr. Dave Fitzgerald was appointed as Building Contractor for this project.

This project consisted of a major renovation of the existing toilet blocks at our school and included the installation of 4 new toilet cubicles, all associated plumbing works, extensive re-tiling of these areas and a general upgrade of internal insulation and ventilation.

Throughout this time I found Mr. Fitzgerald to be very reliable, trustworthy and most professional in how he carried out his work at our school. He was contactable at all times and all requests and queries were dealt with promptly and efficiently.

The project was completed on time and to a very high standard, with minimal, if any, disruption to the rest of the school.

Our Board of Management, school staff, parents and most importantly our children are delighted with our new, state of the art facilities.

I have no hesitation what so ever, in highly recommending Mr. Fitzgerald for any similar project. Should you require any further information, please do not hesitate in contacting me.

Yours Sincerely

Mairéad Kirby

Principal, Kilruane N.S.
