I hereby confirm that Dave Fitzgerald Contracts Ltd. are known to us and that they have satisfactorily completed a number of projects on which we were the Architects.

They include the following:

Housing projects in Chapel Lane Roscrea and Silvermines for North Tipperary County Council.

The projects included the construction and completion of houses complete with external works and site development works,

and more recently,

construction of 31 Houses and a Community Building together with external works and Site Development Works at Tyone Nenagh, Co. Tipperary for Clúid Housing Association Ltd., 18 White Street, Cork City, on which they performed very well.

I confirm that we found Messrs. Dave Fitzgerald Contracts Ltd. satisfactory in our dealings with them and we would be happy to work with them on any future project.
