Re: **Housing Development @ Fossabeg, Scarriff, Co. Clare Phase 1**

To Whom it May Concern,

We refer to the above project for which Dave Fitzgerald Contractors Ltd was the Main Contractors.

The value of the contract was €2,165,818.32 and involved the construction of 12 houses at Fossabeg, Scarriff, Co. Clare.

The Project was started in January 2007 and completed in June 2008.

Throughout the process we found Dave Fitzgerald Contractors Ltd., to be very approachable in terms of requests from the Client and Design Team. The scheme delivered was of the highest standard and it was a pleasure to work with Dave Fitzgerald Contractors Ltd.

The project was completed to our satisfaction by Dave Fitzgerald Contractors Ltd., in accordance with the rules of the trade, on time and in a very efficient manner.

Dave Fitzgerald Contractors Ltd acted as PSCS (Project Supervisor for the Construction Stage) under the Health, Safety and Welfare at Work (Construction) Regulations 2006 on the above project. They completed an Operations & Maintenance File together with Safety File which was handed to the Client at Practical Completion Stage of the project.

We would have no hesitation in recommending Dave Fitzgerald Contractors Ltd., for future projects or similar scale and complexity.
